## Meevo Spa & Salon Software and L'Oréal Celebrate Powerful New Partnership

*Award-winning spa and salon software joins the L'Oréal Level Rewards Program to provide clients exclusive subscription savings.*

**Parsippany, NJ:** Millennium Systems International (MSI), the industry leader in spa and salon software solutions and provider of the award-winning [Meevo business management platform](#), announces its new partnership with L'Oréal.

As MSI grows and continues to offer unparalleled software solutions, this powerful partnership provides monumental value to the company and their L'Oréal members, reaffirming their focus on client satisfaction.

"This incredible partnership is about adding more value for our Meevo users, and it is truly exciting for our company to join forces with a top brand in the salon industry," says Victoria Vitarelli, Vice President of Marketing, Millennium Systems International. "This union will bring our clients exclusive L'Oréal rewards that can be utilized for Meevo subscription savings, further cementing our dedication to provide our spa and salon software users with benefits and perks that support their business growth."

Meevo spa and salon software users participating in L'Oréal's Level Loyalty Rewards system will now be able to redeem earned points to allocate towards their monthly subscription.

"The LEVEL Loyalty Rewards catalog has been developed to support the evolving needs of our dynamic members and their incredible businesses", says Amber Thorne, Senior Manager of Level Loyalty. "For this reason, we are excited to announce our partnership with Meevo Spa & Salon Software powered by Millennium Systems International. Our members can now utilize their rewards to grow their businesses by leveraging the valuable insights Meevo provides, with the ease of this user-friendly system."
